

Fall Victim Sends Greetings to Rescuers

A Christmas greeting card that held more than usual interest was received by B. J. Scott, Torrance electrician and sportsman, last Friday. It was from the man Scott, his father-in-law John Yessen and the latter's son, Ray, all of this city rescued last September and rushed to medical attention from the wilds of the King's River country.

effort made it possible for me to enjoy a happy Christmas," wrote the Fresno county deputy sheriff who the local men found badly injured as result of a fall while breaking a colt. Scott and the Yessens packed the injured man out of the mountains to a hospital where he is now completing his recovery.

BOOST OFFICIALS' PAY Salaries of the sheriff and the assessor of Los Angeles county will be \$12,000 annually, beginning with the next term of office on the first Monday in December, 1938. Each now receives \$9,000.

Stand for Christ, Catholic Pastor Urges in Greeting

By FATHER J. V. FITZGERALD, Pastor, Catholic Church of the Nativity

"As we close the old year and give ourselves for another milestone along life's highway, I want to thank all Catholics and non-Catholics for their wholehearted cooperation since I came to Torrance and to wish everyone a very holy and prosperous New Year. Thruout the world an unrest has gripped people, wars and bloodshed have stained the fair name of our civilization. Might is right! and the survival of the fittest seems to be the echo of the old year. Christ our God, the harbinger of peace, said: 'Do unto others as you would that men should do to you.' Today too many people are content with natural religion, i.e., they do nothing wrong to their fellowmen—so there is no need of Church, forgetting that Christ said: 'I will build My Church.' Until we believe in Christ, until we leave the Church play its part in our own individual lives we cannot say that Christ and Christianity has been a distinct benefit to us. Until we have taken our stand definitely with the Divine Ambassador of Christ, i.e., His Church, until we rise from our natural state of religion and become supernatural whereby we do all things for Christ, until then we cannot say Christianity has failed. The people who profess Christianity may fail but not Christianity itself. 'My sheep hear My voice and I know them and they follow me: And I give unto them eternal life.'"

Motor Starts Fire in Market Here

Since most of those here who installed decorated Christmas trees in their homes either used electric lights or none at all and exercised proper precautions with tinsel and packages, there was no residential fires here over Christmas.

However, the fire department made a run at 10:20 Sunday morning to extinguish a small blaze at Colburn's Market at 1801 Cabrillo avenue. An overheated motor operating the refrigerator unit was the cause of the fire. Damage was confined to the motor itself.
